APPLICANT MUST READ AND SIGN THIS AGREEMENT

I understand that ARCS membership is a privilege which can only be gained by:

1. Obtaining the sponsorship of an ARCS member in good standing
2. Nomination for membership by the sponsor at a regular club meeting after all membership requirements are met and the club is not at its member cap (35)
3. Acceptance for membership by a majority vote of members present at a regular meeting
4. Having a valid AMA membership card or active application to AMA for membership.

I understand that I may not operate any RC aircraft at any ARCS facility until proof of AMA membership is received by the ARCS secretary and treasurer.

If accepted into membership, I understand there is a 90 day probation period and I agree to comply with the AMA Safety Code and the ARCS Flying Field Rules for all R/C model operations at the ARCS Flying Field.

I agree to participate in functions that the club sponsors (Road trash pickup, Fun Flys, etc) whenever possible to promote our visibility in the community and club fellowship.

I understand the problem that R/C clubs such as ARCS have in obtaining and retaining good flying fields. I will always strive to assure that my behavior and R/C flying at the ARCS field reinforces the positive relationship that we have with the landowner and our neighbors.
